

**IN THE COURT OF CRIMINAL APPEALS
OF TEXAS**

NO. PD-1226-18

MARK DAVID ZIMMERMAN, Appellant

v.

THE STATE OF TEXAS

**ON APPELLANT'S PETITION FOR DISCRETIONARY REVIEW
FROM THE FIFTH COURT OF APPEALS
GRAYSON COUNTY**

Per curiam. SLAUGHTER, J., dissented.

O P I N I O N

Mark David Zimmerman (Appellant) filed a petition for discretionary review asking this Court to decide whether the trial court erred by denying his motion to suppress because the police did not have specific, articulable facts to prolong his detention beyond the mission of his traffic stop.

Having considered the parties' briefs and the record, however, we conclude that our

decision to grant review was improvident. We therefore dismiss Appellant's petition for discretionary review as improvidently granted.
